A Note From your Teacher

I have attached a survey to the newsletter so that I can get to know more about your child. I have also assigned some homework for the students. Please help them in filling out an "All About Me" interest inventory sheet. Please complete both and return them by the end of the next week!

Starting next week, the first grade teachers will provide a snack for the students due to having a later lunch hour. We have decided on animal crackers or goldfish from the safe snack list. Once our room captains are established, we will be in touch with them to organize future snacks throughout the year. **Please don't hesitate to call or email me anytime!** ☺

A Peek at our week

Hello First Grade Families!

We have kicked off another terrific school year starting with fantastic first day and a fun filled week! I have enjoyed getting to know your children. We have spent this week getting to know one another, talking about our summers, discussing rules and behavior, and becoming familiar with our everyday routines ending the week with a **POPSICLE PARTY!**
We've read a lot of stories this week about our first day jitters and worries, and learned how to be bucket fillers with a growth mindset!
We're working hard on following the three R's, be respectful, be responsible, and be ready to learn, and walking quietly in the hallways.
